

Veterinary Clinic St. Veit, Austria Small animal clinic

We are looking for a **Vet** with **medical interest** to join our multidisciplinary small animal team.

The Practice

Tierklinik St. Veit (veterinary clinic St. Veit) is a proudly independent, family run mixed veterinary practice, who have a passion for providing the best veterinary care possible in the south of Austria. We also care about our staffs' interests, job satisfaction and welfare and nurture a very strong team spirit in every sector of our about 20 strong team of 8 vets, nurses and receptionists. We have an exceptional team, all with a passion to provide a great service and a love for the job and the ethos of the practice. Our practice is growing rapidly and we are investing in the facilities, equipment and staff to maintain this momentum.

The Role

Our ideal candidate will have 5+ years of small animal experience (surgery, diagnostic) and be confident to work independently. They will be responsible for overseeing one of our branches, as well as periods working at other branches in the Hospital. Case continuity with hospitalized animals is strongly supported.

Necessary knowledge and qualifications

Degree in Veterinary Medicine, German Language spoken and written B1, English B2

Our ideal candidate would be a relaxed, personable, confident, hard-working, dedicated vet, ideally with a field of interest that we could help develop and fund, to benefit the candidates job satisfaction as well as benefit the practice team with their expertise.

The ideal candidate should be keen to embrace gold standard customer care, case work up and clinical standards.

The Package

All the usual benefits,

Salary according to experience and qualifications - € 40,000 - € 70,000. (yearly, gross income)

40 hour working week, Option of 4,5 or 4 day week. No out of hours. Equally shared weekend rota (1/4)

If you are friendly, a team player, have a positive pro-active work attitude and want to work in a growing, supportive, open minded and reflective work environment, submit your application with CV to:
